Créée en 1912, Margot bénéficie de plus d'un siècle d'expérience dans la création et la fabrication de robinetterie haut de gamme. Son savoir-faire traditionnel et 100% français, confère à ses collections authenticité, élégance et qualité. Forte de son histoire, Margot est imprégnée de l'esprit des principaux styles architecturaux, de l'Art Déco jusqu'à ceux d'aujourd'hui. Sa gamme offre désormais des ensembles complets de salles de bains : Robinetterie et accessoires, mais également un panel d'équipements sanitaires tel que lavabos, vasques et baignoires.

Founded in 1912, Margot has over a century of experience in the design and manufacture of high-end fittings. Its traditional and 100% French know-how brings to its collections authenticity, elegance and quality. With a strong history, Margot is imbued with the spirit of the main architectural styles, from Art Deco to the latest styles. From now on, its range offers complete bathroom sets: Taps, accessories but also a range of sanitary equipment such as washbasins, basins and bathtubs.
